We are not liable in circumstances where you have other cards stored on your Device for payment and you inadvertently use the Card when using your Device as a payment method. You must ensure that you select the correct card prior to using your Device as a payment method. We are not otherwise liable for the use, functionality or availability of a Device, the availability of merchants who allow the use of the Device and Card as payment, or a reduced level of service caused by the failure of third party communications and network providers (except to the extent deemed liable under the ePayments Code). We are not liable for transactions on your Card if: a) your Device security measures are compromised; or b) where you allow others access to, or the means to access, your Device; or c) any other circumstances in which you allow others to circumvent the security measures of your Device.
